

YMCA Guidelines & Table of Contents

Welcome to the MEYO Swim Team

The Swim Team is a competitive swimming program where swimmers of all ages and abilities are welcomed and challenged. The coaches and the Booster Club work closely and well with the YMCA to make this a successful and enjoyable experience for all of our swimmers. To ensure that the day to day operations and other programs at this facility run smoothly, we would appreciate your cooperation in following the YMCA guidelines that are listed below.

- ** No parking in the circled driveway, this is for drop off and pick up only.
- ** All membership cards must be scanned at the desk upon entering the YMCA.
- ** No shoes on the Pool Deck. Avoid walking through the shower area with shoes on. Shoes are always required in the rest of the building.
- ** No food or drinks on deck.
- ** No water fights are allowed in the locker rooms.
- ** Please pick up after yourself, especially candy wrappers.
- ** Keep the noise level in the locker rooms at a reasonable level.
- ** Turn off the showers when you are finished using them. If others leave them on, lend a hand and turn showers off that are not in use.
- ** Parents, supervise your children at all times!
- ** Avoid congregating and conversing by the front desk area.
- ** During practice, be courteous and keep siblings busy with quiet toys.
